**Child Information** (at time of incident)

Age: 3 months      Gender:  Female  Male

Race or Ethnicity: Black/African American

**Date of Incident:** 03/13/2017

**Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:**

On March 13th 2017, the agency received a report regarding a 3-month-old infant brought to the hospital. The infant had multiple injuries in various stages of healing. Medical professionals determined the infant sustained multiple injuries that were indicative of child abuse. Law enforcement was contacted and initiated a criminal investigation regarding the infant's suspicious injuries. As a result of law enforcement's investigation, the infant's foster mother was arrested and criminally charged with Physical Abuse of a Child and Repeated Acts Causing Great Bodily Harm. A criminal charge is merely an allegation and a defendant is presumed innocent until proven guilty.

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by his foster mother. Medical professionals determined the infant sustained multiple injuries that were indicative of child abuse. The infant and the infant's 2-year-old sister were deemed unsafe in the foster home and placed in a different foster home. The foster mother was criminally charged and ordered to have no contact with the infant and the infant's 2-year-old sister. The case remained open for ongoing case management services.
