On April 6, 2018, the agency received a report regarding 10-month-old infant brought to the hospital with multiple injuries. Law enforcement was contacted and initiated a criminal investigation. Medical personnel determined the injuries were non-accidental in nature. No criminal charges have been filed in this case, and the investigation remains open.

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**

The agency collaborated with law enforcement and medical personnel to complete the assessment. Medical professionals determined the infant sustained injuries consistent with non-accidental trauma. The infant was deemed unsafe, taken into Temporary Physical Custody, and placed in a licensed foster home.
