**Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:**

On December 3, 2018, the agency received a report regarding an infant brought to the hospital with multiple injuries. Medical personnel determined the injuries were non-accidental in nature. Law enforcement was contacted and initiated a criminal investigation. As a result of law enforcement's investigation, the father was arrested and criminally charged with Physical Abuse of a Child – Recklessly Cause Great Bodily Harm. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by the father. The father was criminally charged and court ordered to have no contact with the infant and the infant's siblings. The infant and her 1-year-old sibling were deemed safe and the children remained with their mother. A Petition for Protection or Services was filed and the case remained open to provide ongoing case management services.
