**Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:**

On January 8, 2020, the agency received a report regarding a 3-week-old infant brought to the hospital on January 7, 2020 with multiple injuries. Medical professionals determined the injuries were non-accidental. Law enforcement was contacted and initiated a criminal investigation. No criminal charges have been filed in this case, and the investigation remains open.

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by an unknown maltreater. Medical professionals determined the injuries were non-accidental. The infant had been placed in out-of-home care under a December 20, 2019 Temporary Physical Custody order and was deemed unsafe. The infant's placement was changed under an emergency order. The infant's sibling was deemed unsafe, and a protective plan was initiated. A Petition for Protection or Services was pending for the infant and a Petition for Protection or Services was filed for the infant's sibling. The case remained open to provide ongoing case management services.
