

6-Month Final Summary Report for Child Death, Serious Injury or Egregious Incident

Reports submitted to the Division of Safety and Permanence (DSP) that do not include all of the required information will be returned to the agency for proper completion. Do not identify individuals by name when completing this report. Individuals may be referenced by relationship or position; e.g., mother, father, child, sibling, physician, detective, etc.

Case Tracking Number: 220516DSP-Rock-1151 **Agency:** Rock County Human Services Department

Child Information (at time of incident)

Age: 1 year old Gender: Female Male

Race or Ethnicity: White; African American/Black

Special Needs: None

Date of Incident: 05/16/22

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On May 16, 2022, the agency received a report regarding a 1-year-old infant brought to the hospital with multiple injuries. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the infant sustained serious injuries. No criminal charges were filed, and the case was closed.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of neglect to the infant by the infant's mother and father. The infant and her siblings were deemed unsafe, taken into Temporary Physical Custody, and placed with relatives and in non-relative foster homes. Petitions for Protection or Services were filed, and the case remained open to provide ongoing case management services.

Yes No Criminal investigation pending or completed?

Yes No Criminal charges filed? If yes, against whom?

Child's residence at the time of incident: In-home Out-of-home care placement

Complete the appropriate following section (A. or B. based on the child's residence at the time of the incident).

A. Children residing at home at the time of the incident:

Description of the child's family (includes household members, noncustodial parent and other children that have visitation with the child and / or in the child's family home):

At the time of the incident, the infant resided with her mother, her father, her 11-year-old sibling, her 10-year-old sibling, her 6-year-old sibling and her 4-month-old sibling.

Yes **No** **Statement of Services:** Were services under ch. 48 or ch. 938 being provided to the child, any member of the child's family or alleged maltreater at the time of the incident, including any referrals received by the agency or reports being investigated at time of incident?

If "Yes", briefly describe the type of services, date(s) of last contact between agency and recipient(s) of those services, and the person(s) receiving those services:

At the time of the incident, the agency was assessing the April 25, 2022, CPS Report. The last contact by the agency with the mother, father, infant, and infant's now 4-month-old sibling was on April 26, 2022.

Summary of all involvement in services as adults under ch. 48 or ch. 938 by child's parents or alleged maltreater in the previous five years: (Does not include the current incident.)

On April 25, 2022, the agency screened-in a CPS Report alleging neglect of the infant and her now 11-year-old, 10-year-old, 6-year-old and 4-month-old siblings by the mother and father. The incident occurred during the assessment period, and an additional report was made to the agency regarding the serious injury on May 16, 2022. An assessment of the allegation was completed by the agency, and the initial allegations of neglect were unsubstantiated.

On January 31, 2022, the agency screened-in a CPS Report alleging neglect of the infant and her now 11-year-old, 10-year-old, and 6-year-old siblings by their father. An assessment was completed by the agency, and the allegation of neglect was unsubstantiated. The case remained open to provide voluntary ongoing case management services.

On January 24, 2022, the agency screened-in a CPS Report alleging neglect of the infant and her now 11-year-old, 10-year-old, and 6-year-old siblings by their mother and father. An assessment was completed by the agency, and the

allegations of neglect were unsubstantiated. The case remained open under an Informal Disposition Agreement to provide voluntary ongoing case management services.

On November 30, 2021, the agency screened-in a Services Report. The family was referred to community housing resources.

On September 20, 2021, the agency screened-in a CPS Report alleging neglect of the infant's now 10-year-old sibling by the mother and father. An assessment was completed by the agency, and the allegations of neglect were unsubstantiated. The case was closed upon completion of the Initial Assessment.

On June 18, 2021, the agency screened-in a CPS Report alleging neglect of the infant and her now 11-year-old, 10-year-old, and 6-year-old siblings by the mother and father. An assessment was completed by the agency, and the allegations of neglect were unsubstantiated. The case was closed upon completion of the Initial Assessment.

On February 2, 2021, the agency screened-in a CPS Report alleging neglect of the infant and her now 11-year-old, 10-year-old, and 6-year-old siblings by the mother and father. An assessment was completed by the agency, and the allegations of neglect were unsubstantiated. The case was closed upon completion of the Initial Assessment.

On October 28, 2020, the agency screened-in a CPS Report alleging neglect of the infant and her now 11-year-old, 10-year-old, and 6-year-old siblings by the mother and father. An assessment was completed by the agency, and the allegations of neglect were unsubstantiated. The case was closed upon completion of the Initial Assessment.

On July 28, 2020, the agency received a report alleging neglect of the infant's now 11-year-old, 10-year-old, and 6-year-old siblings by the mother and father. An assessment was completed by the agency, and the allegations of neglect were unsubstantiated. The case was closed upon completion of the Initial Assessment.

On December 13, 2018, the agency received a report of physical abuse of the infant's now 11-year-old sibling by an unknown maltreater. An assessment was completed by the agency, and the allegation of physical abuse was unsubstantiated. The case was closed upon completion of the Initial Assessment.

Summary of actions taken by the agency under ch. 48, including any investigation of a report or referrals to services involving the child, any member of the child's family living in this household and the child's parents and alleged maltreater. (Does not include the current incident.)

(Note: Screened out reports listed in this section may include only the date of the report, screening decision, and if a referral to services occurred at Access. Reports that do not constitute a reasonable suspicion of maltreatment or a reason to believe that the child is threatened with harm are not required to be screened in for an Initial Assessment, and no further action is required by the agency.)

On April 25, 2022, the agency screened-in a CPS Report alleging neglect of the infant and her now 11-year-old, 10-year-old, 6-year-old, and 4-month-old siblings by the mother and father. The incident occurred during the assessment period, and an additional report was made to the agency regarding the serious injury on May 16, 2022. An assessment of the allegation was completed by the agency, and the initial allegations of neglect were unsubstantiated.

On January 31, 2022, the agency screened-in a CPS Report alleging neglect of the infant and her now 11-year-old, 10-year-old, and 6-year-old siblings by their father. An assessment was completed by the agency, and the allegation of neglect was unsubstantiated. The case remained open to provide voluntary ongoing case management services.

On January 24, 2022, the agency screened-in a CPS Report alleging neglect of the infant and her now 11-year-old, 10-year-old, and 6-year-old siblings by their mother and father. An assessment was completed by the agency, and the allegations of neglect were unsubstantiated. The case remained open under an Informal Disposition Agreement to provide voluntary ongoing case management services.

On January 13, 2022, the agency screened-out a CPS Report.

On December 7, 2021, the agency screened-out a CPS Report.

On November 30, 2021, the agency screened-in a Services Report. The family was referred to community housing resources.

On October 25, 2021, the agency screened-out a CPS Report.

On September 20, 2021, the agency screened-in a CPS Report alleging neglect of the infant's now 10-year-old sibling by the mother and father. An assessment was completed by the agency, and the allegations of neglect were unsubstantiated. The case was closed upon completion of the Initial Assessment.

On September 18, 2021, the agency screened-out a CPS Report.

On June 18, 2021, the agency screened-in a CPS Report alleging neglect of the infant and her now 11-year-old, 10-year-old, and 6-year-old siblings by the mother and father. An assessment was completed by the agency, and the allegations of neglect were unsubstantiated. The case was closed upon completion of the Initial Assessment.

March 8, 2021, the agency screened-out a CPS Report.

On February 2, 2021, the agency screened-in a CPS Report alleging neglect of the infant and her now 11-year-old, 10-year-old, and 6-year-old siblings by the mother and father. An assessment was completed by the agency, and the allegations of neglect were unsubstantiated. The case was closed upon completion of the Initial Assessment.

On October 28, 2020, the agency screened-in a CPS Report alleging neglect of the infant and her now 11-year-old, 10-year-old, and 6-year-old siblings by the mother and father. An assessment was completed by the agency, and the allegations of neglect were unsubstantiated. The case was closed upon completion of the Initial Assessment.

On July 28, 2020, the agency received a report alleging neglect of the infant's now 11-year-old, 10-year-old, and 6-year-old siblings by the mother and father. An assessment was completed by the agency, and the allegations of neglect were unsubstantiated. The case was closed upon completion of the Initial Assessment.

On February 21, 2020, the agency screened-out a CPS Report.

On May 22, 2019, the agency screened-out a CPS Report.

On May 21, 2019, the agency screened-out a CPS Report.

On April 25, 2019, the agency screened-out a CPS Report.

On April 15, 2019, the agency screened-out a CPS Report.

On December 13, 2018, the agency received a report of physical abuse of the infant's now 11-year-old sibling by an unknown maltreater. An assessment was completed by the agency, and the allegation of physical abuse was unsubstantiated. The case was closed upon completion of the Initial Assessment.

On December 1, 2017, the agency screened-out a CPS Report.

On October 9, 2017, the agency screened out a CPS Report.

On September 28, 2016, the agency screened-out a CPS Report.

On September 27, 2016, the agency screened-out a CPS Report.

On April 8, 2016, the agency screened-out a CPS Report.

On August 5, 2014, the agency screened-in a CPS Report alleging neglect of the infant's now 10-year-old sibling by the mother and father. An assessment was completed by the agency, and the allegations of neglect were unsubstantiated. The case was closed upon completion of the Initial Assessment.

On June 24, 2014, the agency screened-out a CPS Report.

On April 22, 2014, the agency screened-out a CPS Report.

On May 15, 2013, the agency screened-in a CPS Report alleging neglect of the infant's now 11-year-old and 10-year-old siblings by the mother and father. An assessment was completed by the agency, and the allegations of neglect were unsubstantiated. The case was closed upon completion of the Initial Assessment.

On April 20, 2012, the agency screened-in a CPS Report alleging neglect of the infant's now 11-year-old and 10-year-old siblings by the mother and father. An assessment was completed by the agency, and the allegations of neglect were unsubstantiated. The case was closed upon completion of the Initial Assessment.

Summary of any investigation involving the child, any member of the child's family and alleged maltreater conducted under ch. 48 and any services provided to the child and child's family since the date of the incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of neglect to the infant by the infant's mother and father. The infant and her siblings were deemed unsafe, taken into Temporary Physical Custody, and placed with relatives and in non-relative foster homes. Petitions for Protection or Services were filed, and the case remained open to provide ongoing case management services.

B. Children residing in out-of-home care (OHC) placement at time of incident:

Description of the OHC placement and basis for decision to place child there:

N/A

Description of all other persons residing in the OHC placement home:

N/A

Licensing history: Including type of license, duration of license, summary of any violations by licensee or an employee of licensee or other actions that constitute a substantial failure to protect and promote the welfare of a child.

FOR DSP COMPLETION IF RECORD OR ON-SITE REVIEW WAS UNDERTAKEN:

Summary of policy or practice changes to address issues identified based on the record or on-site review of the incident:

Under the Child Welfare Disclosure Act (Section 48.981(7)(cr), Stats.), the Department of Children and Families' (DCF) Division of Safety and Permanence (DSP) completes an initial review of the agency's practice for each case reported under the Act. A further practice review has been completed for case #220516DSP-Rock-1151. As a result of this review process, the DSP did not determine policy or practice changes were needed.

Recommendations for further changes in policies, practices, rules or statutes needed to address identified issues based on the record or on-site review:

None.

Yes No Not Applicable

This 6-Month final summary report completes the Division of Safety and Permanence (DSP) action on this case.
