Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On July 9, 2017, the agency received a report regarding a 3-month-old infant found unconscious and not breathing in his home. The infant was transported to the hospital, placed on life support and was pronounced dead on July 19, 2017. The Medical Examiner's Office determined the official cause of death was due to an unsafe sleep environment.
