On August 13, 2017, the agency received a report regarding a 1-year-old infant pronounced deceased in her home. Law enforcement was contacted and initiated a criminal investigation into the infant's death. Medical personnel determined the injuries were consistent with non-accidental head trauma. As a result of law enforcement's investigation, the mother was arrested and criminally charged with Physical Abuse of a Child, Repeated Acts Causing Bodily Harm. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate physical abuse of the infant by the mother. The infant's sibling was deemed unsafe, taken into Temporary Physical Custody and placed with relatives.
