Race or Ethnicity: White, Hispanic/Latino

Special Needs: None

Date of Incident: 07/16/2018

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On July 16, 2018, the agency received a report regarding neglect of a 3-year-old child. Medical personnel determined the injuries were consistent with non-organic failure to thrive. Law enforcement was contacted and initiated a criminal investigation. As a result of law enforcement's investigation, the mother was arrested and criminally charged with Chronic Neglect of a Child (Consequence is Bodily Harm). A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate neglect of the child by the mother. Medical professionals determined the child sustained injuries consistent with non-organic failure to thrive. The child and his siblings were deemed unsafe, taken into Temporary Physical Custody and placed with relatives. A Child in Need of Protection or Services Petition was filed for all of the children and the case remained open to provide ongoing case management services.
