On January 22, 2020, the agency received a report regarding an infant brought to the hospital after being found unresponsive and who was later pronounced deceased at the hospital on January 24, 2020. (The agency responded immediately upon receipt of the report. No criminal charges were filed, and the case was closed.

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**

The agency collaborated with law enforcement and medical professionals to complete the assessment.
