On February 2, 2021, the agency received a report regarding a 14-year-old child brought to the hospital with multiple injuries. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the injuries were consistent with neglect. No criminal charges have been filed in this case.

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of emotional abuse and neglect to the child by the mother and father, as well as neglect of the child by three relative caregivers. Medical professionals determined the injuries were consistent with neglect. The child and his siblings were deemed unsafe and taken into Temporary Physical Custody. Upon discharge from the hospital, the child was placed in shelter care. The child's siblings were placed in non-relative foster homes. Petitions for Protection or Services were filed, and the case remained open to provide ongoing case management services.
