Age: 11 years Gender: Female Male

Race or Ethnicity: White; Hispanic; Latino

Special Needs: None

Date of Incident: 10/18/23

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On October 18, 2023, the agency received a report regarding an 11-year-old child pronounced deceased in his home. Law enforcement was contacted and initiated a criminal investigation. The Medical Examiner's Office noted no signs of trauma to the child and determined the cause of death was due to controlled substance toxicity. No criminal charges were filed, and the criminal investigation has been closed.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Medical Examiner's Office noted no signs of trauma to the child and determined the cause of death was due to controlled substance toxicity. The Initial Assessment completed by the agency found insufficient evidence to substantiate neglect of the child by the mother. The agency determined the child's half-siblings safe, and they remained with their mother. The agency closed the case upon completion of the Initial Assessment, and no service referrals were made.
