

ASSESSMENT

	TEACHER COMMENTS
1. Briefly describe how the children responded to the activity. Were they actively involved? Did it meet their developmental needs?	
2. Was the activity well organized? Were there enough materials? Were the limits stated appropriate?	
3. Was the activity effective in encouraging the concepts and skills to be learned? Did the student encourage those concepts through questions?	
4. How could the activity be improved?	
5. Other comments:
