Definition: Professional Development counseling is available to YoungStar participants to help them plan out their training and coursework. Note: In February, we discovered an issue in the database that was housing the professional development data which caused the data to be drastically underreported. It has been fixed. However, February data is atypical to account for the data that was missing previously.

Definitions

Automated Rating: a rating that is given to a provider based upon education and/or accreditation alone. If a provider does not enter educational information into The Registry's program profile (www.the-registry.org), educational information will not be accounted for in these ratings.

Technical Rating: a process of rating a provider using the YoungStar quality indicators over the course of several on-site visits.

Formal Rating: a rating that is delivered utilizing a combination of YoungStar quality indicators and the Environment Rating Scales (<http://ers.fpg.unc.edu/>).
