

YoungStar Measurements

Month: Apr-17

Note: DCF is in the process of converting from one data system to another. During this process, some public school data may be combined with licensed group data for some regions. Most of the conversion is expected to be complete by May of 2017. * In April 2017, the final transition to EBT was implemented for children receiving Wisconsin Shares. For April and May of 2017, there may be some transactions held in pending status resulting in underreporting. Before January of 2017, Licensed Camp programs were included in the Licensed Group category. Thank you for your patience and please feel free to contact youngstar@wi.gov if you have any questions.
